This matter comes before the Public Service Commission of South Carolina ("Commission") on the cross-motions of the parties, who each sought reconsideration and/or clarification of the Commission's Order No. 2008-649. As reflected in the Commission's Directive of November 12, 2008, and memorialized herein, the Commission declines to reconsider its substantive findings of fact and conclusions of law contained in Order No. 2008-649, as neither party has presented any matters or new evidence which would warrant reconsideration of our ruling. The Commission does, however, find that the prior order did not contain an effective date for the adoption of the

Interconnection Agreement by Nextel Partners. Accordingly, we grant the motion by AT&T South Carolina to clarify the order and specify the effective date, and set as the effective date October 22, 2008.

Subsequent to our issuance of the Directive denying reconsideration and clarifying the effective date for adoption of the Interconnection Agreements, the parties filed with the Commission their fully executed Interconnection Adoption Agreements and sought Commission approval. The Commission has examined the Agreements and determined that they are consistent with the terms of Order No. 2008-649, and therefore approves the Agreements.

This Order shall remain in full force and effect until further order of the Commission.

BY ORDER OF THE COMMISSION:

Elizabeth B. Fleming, Chairman
